# DISTINGUISHED ALUMNI HALL OF FAME

## *History*

In the spring of 2001, the Perry Board of Education established The Distinguished Alumni Hall of Fame to honor former students of Perry High School whose lives are exemplary for both their career accomplishments and their contributions to the well being of others. They have been selected because they have distinguished themselves in their field of study, career or community service. In addition, these individuals will serve as an inspiration to the students of Perry Public Schools, encouraging them to live their dreams and to pursue personal excellence in all future endeavors.

The members of the charter committee of the Distinguished Alumni Hall of Fame began their work early that year. Their task was to establish the policies and procedures that would guide the future selection of all Distinguished Alumni Hall of Fame inductees. These members were nominated by the Board of Education and represented a cross-section of school and community members.

After determining the nominating criteria and process, the final task of the Charter Committee was to recommend individuals to serve on the Selection Committee. This committee was also comprised of a diverse cross-section of people including representatives from the Perry Board of Education, the Perry Historical Society, school administration, staff, students, and community.

To date, the following individuals have been inducted into the Perry Schools Distinguished Alumni Hall of Fame:

# ROBERT S. LYONS

CLASS OF 1963

*“I have found that giving of my time and energy to others, whether it be family, friends or community has been tremendously rewarding and the return to me has been tenfold”*

You could say that Robert Lyons success in life “grew” from a love of horticulture which he has shared as an educator, community member, and entrepreneur for the last 25 years. Lyons graduated from The Ohio State University in 1967 with a degree in Horticulture. In 1969, he began sharing his passion and interest in this field as an instructor for Ashtabula County Joint Vocational School. From 1971 through 1982, Lyons expanded his knowledge of the nursery industry while working in wholesale production nurseries in the states of Oregon and Ohio. In 1982, he planted the seeds of a very fruitful family enterprise that 25 years later has grown into the Sunleaf Nursery located in Madison, Ohio.

In addition to cultivating a successful family business, Lyons has championed the nursery industry by accepting leadership roles in many organizations throughout the years. He has served the Lake County Nurseryman's Association (President 1986), The Ohio Nursery and Landscape Association (President 1988), the Horticultural Research Institute (President 2000) and the Wholesale Nursery Growers of America, a division of ANLA (President 2000). During his time on the board of HRI the endowment increased by 40% and annual grant funding grew by 100%. In 2001, he was honored by the Ohio Nursery and Landscape Association with the Distinguished Contribution Award.

Robert Lyons also tirelessly gives back to the community through service to the Holden Arboretum Board, the Madison Public Library Foundation and the Madison Township Board of Appeals. The Madison/Perry Chamber of Commerce honored Bob and his wife Carol in 2005 for Sunleaf Nursery as Business of the Year.

Commenting on his community service he says, “I have found that giving of my time and energy to others, whether it be family, friends or community has been tremendously rewarding and the return to me has been tenfold.”

# KEVIN J. MARTY

CLASS OF 1971

*"I feel that a great achievement is something that is long lasting. So I feel my greatest achievements are my great children, who are growing up to be wonderful adults. That is what I am most proud of!"*

With twenty-seven years in the U.S. Navy, Commander Kevin Marty, a registered nurse, has never been far from his love of learning and teaching. After graduating Cum Laude from Bowling Green State University in 1980 with a Bachelors of Science in Nursing, he joined the Navy as a staff nurse, then as an instructor for the Hospital Corps. Moving quickly into leadership within the Navy, he spent time as Division Officer at Navy hospitals abroad and in California.

In 2000, he received his Masters Degree in Educational Technology, and in June 2001, Commander Marty was promoted to Head of the Educational Technology Division of Naval Medical Center in San Diego, California, where he designed a comprehensive CD-ROM orientation program for use on the USNS MERCY hospital ship, the largest floating hospital on earth. Focusing his talents on producing key educational programs, he saved the Naval Medical Center \$1.5 million in development and man-hour training costs over a three-year period.

During his distinguished Naval career, Commander Marty received two Navy and Marine Corps Achievement Medals, four Navy and Marine Corps Commendation Medals, and in 2005 was honored with the Meritorious Service Medal for outstanding achievement to the United States.

Currently, Commander Marty is beginning a new career with Scripps Mercy Hospital as an Education Technical Specialist where he designs and develops computer-based training for two of the busiest hospitals in San Diego County. He advises current Perry High School students to choose a career that excites them and that they enjoy. "Life is too short not to love what you are doing," he says.

Summing up his greatest achievement since leaving his Alma Mater, Marty says, "I feel that a great achievement is something that is long lasting. So I feel my greatest achievements are my great children, who are growing up to be wonderful adults. That is what I am most proud of!"
