

Perry Local Schools Mobile Communications App.

The app is FREE and available for download today:

1. From a smartphone, go to the App Store or Google Play
2. Search “Perry Local School District”
3. Select the “Perry Local School District” app for a free download. Perry mobile app users will be able to choose to receive instant push notifications relating to the events of their favorite groups, by simply selecting them from among a complete list of school organizations.

The mobile app will integrate with existing school communications tools such as, website, social media and print for a more comprehensive and streamlined communication experience.

The mobile app will give parents, students and community members a personalized window into what is happening at Perry Schools, to get news and information they care about, and to get involved.

Available free from the App Store and Google Play for use on a smartphone and mobile devices, parents, students and community members with access to the app can:

- Receive important notifications instantly, about activities of personal interest
- View District and school news
- Access the District Directory
- Display information personalized to their interests
