Perry Preschool Virtual Open House

Preschool Overview

The ESC of the Western Reserve provides high quality preschool to any child between the ages of 3-5 throughout both Lake and Geauga Counties. Our preschools are licensed by the Ohio Department of Education and follow a state approved curriculum that is aligned to the Ohio Early Childhood Content Standards. All of our staff are licensed by the Ohio Department of Education and the majority hold a Master's Degree.

Our goal is to prepare all children for Kindergarten and we do this by implementing all five developmental domains;

- fine/gross motor
- communicative
- adaptive
- cognitive
- social/emotional

At this time the preschool is unable to let families tour our classrooms due to the pandemic restrictions. Our Perry Preschool teachers have created a virtual classroom tour. This slideshow is on our preschool website for families to view at their leisure. <https://www.escwr.org/Perry.aspx>
