By now you are probably aware of our intention to raise the membership rates at the Perry Athletic Center (PAC). We understand the importance and value the opportunity to provide our community with a place to improve personal health. After researching the cost to run the center during membership hours, it became clear the rates were not covering our expenses. The school district has been absorbing this deficit for years; however, the time has come to begin making changes to our operations. This includes adjusting membership rates to more closely match what it costs to make the athletic center available to our community. We apologize for any hardship this change will have on you and your family.

As always, please feel free to contact us with any questions you may have. I wish you a healthy, happy holiday season and prosperous new year.

We also want to remind everyone that we do offer Silver Sneaker Memberships at no additional charge! Simply bring in your Healthways/Silver Sneaker membership card to get started today!
