

**Mission Statement:** While maintaining safety for students and staff, inspire students to achieve personal excellence, pursue world class standards, and become self-directed lifelong learners.

**District Outcome 1:**  
Further develop personal excellence and collaborative culture through *Performance Pathway*.

**District Outcome 2:**  
Instruction results in learners who are Inspired, Empowered, and Ready for Life!

| Perry Local Schools - Culture Playbook |   |                   |
|--|---|-------------------|
| Belief                                 | Behavior  | Outcomes          |
| Pursuit of Greatness                   | <ul style="list-style-type: none"> <li>First the WRY</li> <li>Chase the Edge</li> <li>As long as it takes</li> </ul>  | Better Every Day  |
| Power of Relationships                 | <ul style="list-style-type: none"> <li>Everyone matters</li> <li>Invest the time</li> <li>Talk to each other, not about each other</li> </ul>                 | Stronger Together |
| Personal Responsibility                | <ul style="list-style-type: none"> <li>Look inside yourself</li> <li>Own your attitude and action; influence others</li> <li>Improve the situation</li> </ul> | Prepared for Life |

Inspire all students to achieve personal excellence, pursue world-class standards and be self-directed life-long learners.

- Six R-Factor Disciplines**
1. Press Pause
  2. Get Your Mind Right
  3. Step Up
  4. Adjust & Adapt
  5. Make a Difference
  6. Build Skill

**UbD**  
Understanding by Design

- 6 Practices for Authentic Instruction/Student Engagement:**
1. Clear task - focus, clarity, and coherence [FIP 2]
  2. Proficiency rubric clarifies expectations, measures progress, and supports feedback/goal setting [FIP 2/4/5]
  3. Relevant, challenging issue/question connecting curriculum through life skills in real-world, worthwhile work.
  4. Student agency: voice, choice, decision making, and growth mindset [FIP 5]
  5. Learning is personalized to student strengths and interests [FIP 5]
  6. Exhibition: product is critiqued by public/experts to include clear feedback [FIP 4]
