### ENGRAVED BRICK ORDERS

Last call for your very own personalized brick to be placed at Alumni Field at PHS. Many of your classmates will be remembered by the bricks that have been placed over the past 10 years. Approximately 10 spots remain to be filled on a first come-first serve basis. When these spots are filled, the program at this location will be closed. If you have been thinking about being remembered, or honoring someone else, now is the time to act.

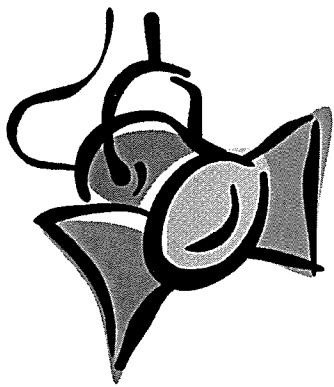

The continuance of the brick program, timing and location all remain undetermined at this time. So again—this may be your last chance for immortality!! Use the form in this newsletter to place your order.

## 2013 SPOTLIGHT AWARDS

### **Dominic and Victoria (Sines) LaMarco, Classes of 1997 and 1999**

In October 2012, Dominic LaMarco and his wife, Victoria (Sines) LaMarco, purchased Sines Inc. from Victoria's parents, Ray, Class of 1969, and Suanne Sines and her aunt, Pamela (Sines) Schlauch, Class of 1976. The family corporation began with her grandfather, Junior Sines in 1957. Sines Inc. owns and operates 5 Marathon gas stations, 4 in Lake County and the other in Geauga County. It supplies businesses with fuel products and manages multiple rental properties. Dominic is the President of the corporation.

In this day and age, when so many of our local businesses have struggled, it is great to see Sines Inc. maintain their vibrancy, especially staying within their family. Victoria stated, "We both are very proud to own this business. It is pleasing to operate this company as the third generation while my grandmother, Betty (Cross) Sines, gets to see this business stay within our family and grow, at the age of 91. We have continued the tradition of staying active in the community by sponsoring local teams, being a member of the MPCC (Madison-Perry Chamber of Commerce), participating in the Lake County 4-H auction, and donating to various charities and fundraisers."

She continued, "A strong structure begins with a good foundation. Our foundation began with wonderful parents and our education from Perry schools. We have continued our education through college.

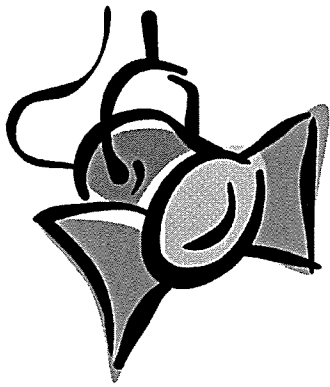

I attended Kent State University and Dominic attended Lakeland and Franklin University. We were able to do this business adventure because of our dedication and hard work."

Dominic and Victoria were high school sweethearts. They have fond memories of their time as Pirates. Victoria stated, "My favorite high school memory—probably should not be—I tried calling myself in sick and pretended to be my mom. Ms. Bythaway could tell instantly it was me and told me to get to school, then she called my mom. Got to love that small town! Now I know why my parents picked this town to raise their daughters, everyone knew everybody."

Dominic's favorite memory was his trip to Kentucky with Mrs. Drozda and the FHA group. He was the President of FHA. Mrs. Drozda taught them about being responsible and gave them the freedom to show that they were. He also enjoyed playing baseball for Mr. Ryan and Mr. Gianell, learning the importance of discipline and teamwork.

Dominic and Victoria currently live in Madison with their two beautiful daughters, Kaylee, who is 5, and Gianna, who is 3. They enjoy traveling, outdoor activities, sporting events, live entertainment and cooking. Besides Victoria's role in Sines Inc., she works full-time as a Victim Advocate for the Lake County Prosecutor.

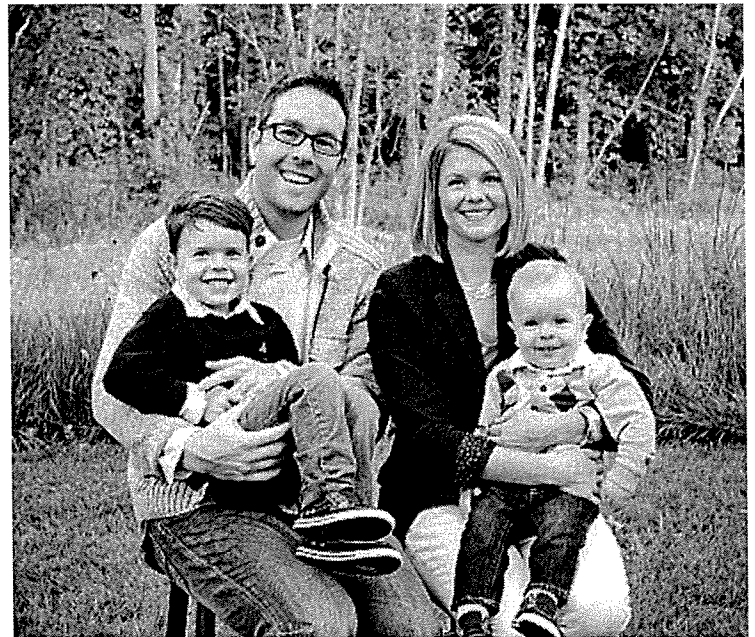

## 2013 SPOTLIGHT AWARDS -

### Lundon Albrecht, D.D.S., Class of 2000

When Dr. Lundon Albrecht took his son to the emergency room, little did he know that it was going to be the inspiration for his first children's book. Lundon's son, Benson, was two years old and had swallowed a penny. Surprisingly, Benson did not choke and he seemed unaffected by the penny. Therefore, Lundon and his wife, Adrienne put their son to sleep. In the middle of the night Benson got sick and they were sorely afraid that the penny was lodged in his body. After numerous x-rays and an uneventful ER trip, Adrienne found the penny in a diaper. Lundon thought to himself, "If someone was to get that penny they'd have no idea where it had been! This made me realize that every penny has a story." This became the idea for his children's book, *Not Just a Penny*, which follows the life of a penny that has been owned by Babe Ruth, Albert Einstein, Ronald Reagan and more. Lundon's book is currently being sold on Amazon, Barnes and Noble and other book retailer websites. "It was great to get it published. To see my idea and story come to life was amazing," stated Lundon. Lundon has presented his book to numerous elementary classes and schools. It was awarded the Book of the Month for Xlibris Corporation.

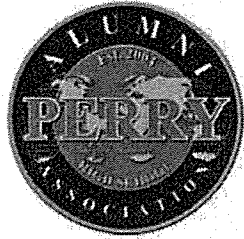

Currently, Lundon and his family reside in Perry. He is a general dentist practicing in Concord. He credits his education at Perry for providing a great foundation for his creative writing. "I had been taught well in

middle school and high school on how to be a creative writer," stated Lundon. He continued to reminisce, "Being a pirate brings a sense of pride. Our facilities are top notch, our teachers are excellent. I always felt prepared for college as well as dental school and in life." Lundon and Adrienne look forward to their children becoming Perry Pirates. He stated, "My wife and I built a house in Perry. We currently have two boys (a five and two year old). I look forward to their experience at Perry."
