Position: Mosquito Control Program Technician

Looking for students interested in working to prevent mosquito and tick-borne illnesses as well as participating in the rabies surveillance program. Preference given to applicants pursuing a degree in Public Health, Environmental Health/Science, Biology, or a related field.

Hours: Mon. – Fri., 8:30am to 4:30pm (June through Sept) will depend on student's schedule.

Minimum Requirements:

- Valid State of Ohio driver's license, in good standing and automobile insurance
- Must be a high school graduate.
- Basic computer skills and knowledge of fundamental software
- Good customer service, verbal and written communication skills
- Good interpersonal relationship skills including cultural sensitivity and competence.
- Regular attendance and punctuality
- Interest in public/environmental health
- Ability to serve as a member of a team.
- Must be able to read and understand written instructions, basic math skills, and understand the safe handling of pesticides.
- Must understand basic biology or science and be capable of learning to respond to questions and concerns from the public.

Responsibilities: Will include but NOT limited to:

- Apply mosquito larvicides with various types of equipment to control mosquito populations as necessary at various field sites and in response to residential complaints (using LCGHD vehicle)
- Investigate/document nuisance complaints and educate residents regarding mosquitoes and ticks.
- Maintain accurate records of mosquito larvicide application and daily work activities.
- Communicate effectively with the community to educate citizens on program goals, disease control and appropriate mosquito control activities.
- Represents the Board of Health in a professional manner when dealing with community officials and the general public.
- Perform other duties as assigned. Performance of duties may require the ability to handle objects and materials of moderate weight (up to 50 pounds)

Salary: \$14.00/hour

Apply: Call Bert Mechenbier at 440-350-2453 for more information.
