- All students report to their designated classrooms for testing.
- Students NOT testing are required to be at school by Block 1 (times vary, see above). If transportation is an issue, students may ride their bus at the regularly scheduled time and report to the media center for quiet study until classes begin.

Remote Learners	You are scheduled to a testing room based on your current schedule or required tests for graduation. You have the opportunity to attend and take your state tests.
AP Students	If you have a testing conflict, attend the AP exam and your End of Course exam will be rescheduled.
CCP Students	Take your tests then attend your college courses. Communicate with your high school teachers if you will be missing their class due to CCP.
Junior Auburn Students	If not testing, report to the cafeteria upon arrival from ACC for lunch then go to your appropriate block class.
Senior Auburn Students	You will leave at your regularly scheduled time. See your 1st and 2nd block teachers for any missed assignments.
Late Arrival/Early Release Students	You are expected to be on time and present for all scheduled classes.
