College Info Night

Kyleigh Martin

College Info night is coming to Perry High School, the event is on September 20, 2022. We interviewed some of Perry's people, and most said just about the same thing. "We expect our students to learn the process of paying for college, also we are very unsure if many seniors would make it to this event." This event is in Perry's Goodwin Theatre, at the Perry High School. Many of the wonderful Perry people come together to make this event happen.
