

Fall Festival Festivities

By Grace Wallingford

On Saturday, September 10, 2022, Perry, Ohio is hosting their annual Fall festival. This festival will be swamped with activities, and will be open from 11-9 with fun games, inflatables for children, Chinese auction for the adults, and fireworks for everyone to enjoy at the end of the night. Admission is free for everyone.

Riley McGinty, a Senior at Perry, will be volunteering at the festival this year with PSL. PSL (Perry Service Learning) is a volunteer program here at Perry High School. McGinty, along with many others in PSL, will be helping out at the fall festival with inflatables and the coloring contest. McGinty has always been involved in the festival; before he was involved in the Perry band where they perform in the festival, but this year he is switching things up, “I really enjoy the festival and all its activities. I'm excited to do some volunteer work as well” McGinty explained. All money raised from the festival will be donated to the Perry Area Joint Recreation District programs.
