

The Spring Musicals

By: Madeline Infalvi

This year Perry High School and Middle School are both having spring musicals. The high school is performing *Willy Wonka and the Chocolate Factory*, based on the book and music from the original movie. Mrs. Hunter, the director, describes the musical as “really fun, it’s a bizarre wild ride with lots of special events this time around.” They will have three shows on March 10th, 11th, and the 12th, adult tickets will be \$8, and student tickets will be \$6. When asked why people should come see the show Hunter said, “It’s a very over the top show, with lots of songs that you will know.”

The Middle School is performing *Spongebob Square Pants the Musical*, and the shows will be on February 17th, 18th, and 19th, adult tickets will also be \$8, and student tickets will be \$6. The show will feature themes of friendship, perseverance, and appreciating others for who they are. The show will also contain music from modern artists, and they will be one of the first middle schools to perform the play. Mrs. Morgan, the director, says, “If you are looking for a feel-good story full of humor, imagination, and great music, *The Spongebob Musical* is for you.”
